

“Hostage Aid Worldwide Members and Former Hostages Honor Congressman Ted Deutch”

Nizar Zakka: "I will always remember the day you (Mr. Deutch) invited my 16-year-old son to attend a hearing in Congress for the families of hostages, when I was still in Evin. For a hostage, it meant the world to me and my family to know I was not forgotten and it reminded me of the values of this country and how no one will be left behind."

October 06, 2022 – During the last week of September 2022, Hostage Aid Worldwide members and former hostages Sam Goodwin, Xiyue Wang, Jason Rezaian (virtual) and Nizar Zakka proudly presented Congressman Ted Deutch with a certificate of recognition and a challenge coin in appreciation of his relentless efforts and unwavering support and commitment during his tenure in Congress, to free hostages and bring them home to their families. Since June 2021, he also launched and co-chaired the bi-partisan “Congressional Task Force on American Hostages and Americans Wrongfully Detained Abroad” aimed at helping hostages and their families and projecting a voice in Congress on their behalf. Over the past few years, Hostage Aid developed a strong collaboration with Mr. Deutch towards putting an end to hostage-taking and looks forward to continuing this relationship with him in his new career. We are grateful and thankful for all his support and wish him the best in his future endeavors.
